

»» German Desk Indonesia – Financial Support and Solutions For German and Indonesian companies

Together with its partners PaninBank and the German-Indonesian Chamber of Industry and Commerce (EKONID), DEG is offering a new service for German SMEs and their local partners in Indonesia. The German Desk also covers the neighbouring countries and puts the needs of German companies and their local partners into focus. The German Desk Relationship Manager is a contact person with profound knowledge of both cultures and language proficiency in English, German and Bahasa.

DEG – Deutsche Investitions- und Entwicklungsgesellschaft

For 55 years, DEG has been financing and providing advisory services for private-sector companies operating in emerging markets and developing countries by offering tailor-made solutions, including long-term financing, promotional programmes and individual advice. DEG has maintained a representative office in Indonesia for more than 15 years.

The German Desk enables companies to gain access to financial support and solutions via point of contact that combines all the products and services offered by Panin Bank with the network and support of EKONID and DEG. The range of services extends from setting up a bank account through trade finance products and transaction banking, to credit lines or investment financing for local companies wishing to acquire German equipment.

In this way, companies will also be assisted in the process of preparing foreign direct

PaninBank

PaninBank is a publicly listed bank established in 1971. As of September 2017, the Bank's total assets reached USD 15.8 billion making it the 7th largest bank in Indonesia. The Bank has been growing its network to 563 offices across all regions in Indonesia, offering diversified products and services. The Bank's proven business model for financing SMEs business has made it one of the fastest growing retail banks.

investments in Indonesia and can benefit from the combined network of PaninBank, EKONID and DEG.
