PRIME Consultancy offers its market expertise and network to make your business trip successful.

Trusted by embassies and MNCs, we support their business trips and trade mission across various industry sectors, for Renewable Energies, Consumer & Household Goods, Constructions, Banking and Finance.

Provide Background Information

- Identify the potential industry sector or market segments for your delegates.
- Conduct market research tailored to the product and service portfolio of you or your delegates.
- Briefing of delegates through subject matter experts via conference call.

Realize Business Meetings

- Profiling and qualifying potential business partners on the ground.
- Schedule and coordinate business meetings.
- Accompany business delegates to assist with local market expertise and to overcome language barriers.
- Arrange the transport between the meetings.

Maintain the Efforts

- Write a full report covering the activities, outcome and recommendations for upcoming visits.
- Conduct a survey with the delegates to measure the success.
- Facilitate the communication between delegates and local business after the business trip.
